[Intro: Gunplay]

I just beat a life sentence nigga
Fuck yeah
I just beat a life sentence nigga
Fuck yeah
Bet That, Bet That, Bet That

[Hook x2: Gunplay]

I don't give a fuck about you (I don't give a fuck)
I don't give a fuck about you (I don't give a fuck)
And you can bet that
And you can bet that
You understand?

[Verse 1: Gunplay]

No love for a pussy nigga
No love for the pussy neither
How the fuck hope quite your breathing
I don't got to make believe I make believers
This ratchet patchet nigga had up something decent
Fuck a preacher and I'll whip you leasin
My nigga my new stick come equipped with features
And that hole dome come equipped with bleachers
So what the play?
Spend a stack and watch a nigga buy some loose
change
That's the way I act and how I do thangs
IÂ'm thuggin all the time aint no mood swings
IÂ'ma human cocaine shoe string

[Hook x2]

[Verse 2: Gunplay]

These busters been booths
Full of shit acting full clip proof
I don't give a fuck bout who you came to
I got uncles I got homies in the pen too
My patience with them too
I don't give a fuck about ya
Nuthin bout ya
Bitches bring me money that they suck up out ya

Then tell me Daddy it's just something bout ya
I tell her I don't doubt ya
I'm like nothin out there
Bustin when I wasn't
Now the haters hover like... over does it
Everything I do I gotta over dose the measure
Oh Lord, look who came to visit,
The new O dog

[Hook x2]

[Verse 3: Pusha T]

I don't give a fuck who you are
So fuck who you are
Shout out to Styles P that's like the hardest fuckin ball
I don't give a fuck if you the next rising star
Get star struck and get hit with this AR
A double M-O
Fuck what you saying get play like a demo
Niggas know my M.O.
Money over bitches
God over all
Birthed you little niggas watched you all gcrawl
Leanin on them bricks scale Michael off the wall
Don't stop til you get enough of that raw
All we is is get money running from the law
Think you don't give a fuck shiiit I'ma raise the bar

[Hook x2]
