Give it to me daddy, give it to me daddy
Give it to me daddy, give it to me daddy
Give it to me daddy, give it to me daddy
Daddy, daddy, daddy, daddy

[Verse]

Tell me what you want
Tell me what it do, don't tell me what it don't
Picture our motion, motion picture
Girl mouth pussy, slow motion hit ya
She obey me like soso scripture
When I break her off you cannto fix her
I get my dick sucked till my whip stop
I ain't gotta hit the hoes no
She go down when I roll these tits up
Knock a bitch out the park put that fence up
Mercedes Lorenzo shinning my rims up
Baby girl watch daddy get his wins up
