Yeah, JaeFlowz on the Track

Anvil, Yung Dame

What up 730? I see ya.

Yeah, uh huh, uh huh.

Okay, okay... I-I-I got three words for ya

Hot-Hottest team ever

B*tches in my crib I'm a young Hugh Hefner

Money so long it just can't be measured

Chop and dice a nigga watch his head get severed

I scare these rappers with the Freddy Krueger flow,

See my team can take a nigga girl like the repo (gone)

I got money, but I swear I need mo,

B*tch I got so much bread, I can make french toast

Tur-Turn the fan on (why?)

My flow is gettin' hot

I'm with the martian kidds,

Fu-F*ck an astronaut

You got a bad chick, you can bet I got a lot

JaeFlowz comin' gunnin' runnin' for that top spot
