Everybody calls him "The Ox"  
He's a man of fifty thousands strong  
You won't ever find such a rider  
For miles and miles around  
An example for the nation

Six and a half feet of muscle and sheer determination  
They say he once rode a bull of twelve hundreds  
pounds  
And had the beast tamed and sent down for the count  
I saw him bring down a calf in less than two minutes  
When he runs for president he'll sure get my vote  
When you can break in a bull  
You can sure enough break in the world
