"Plan B"

Visit "[Plan B](#)" on MotoLyrics.com

Will I ever make it to where I'm going?
My plan "B" has always been to stay with "A"
Will I dare to keep my faith, without ever counting days
In Mystery and silence you move so

We will only see half of the story
The rest is hidden from view so
I'm learning to enjoy these illusions of life
With Faith
And staying next to you

I'm looking in a book at the distant stories
Our History has told us there's nothing new
Will we dare to keep our hope?
Without ever letting go
And read between the lines and look for you

We will only see half of the story
The rest is hidden from view so
I'm learning to enjoy these illusions of life
With Faith
And staying next to you

Right next to you, I know that I need to be
Right next to you, I know that I need to be
