Lighten up  
And tell a friend that we have been at it again  
Tell me  
Are there any more secrets left to deal with?

Soon enough we'll be  
At a place where we won't have to answer  
Soon enough we'll be able to face  
All of these memories  
Soon enough we'll be at peace with the truth

Soon enough we will be  
Soon enough

A hard day  
I didn't handle all these conversations all that well  
More days up ahead  
No other choice but to get a grip on myself

Soon enough we'll be  
At a place where we won't have to answer  
Soon enough we'll be  
Able to face all of these memories  
Soon enough we will be at peace with the truth

Soon enough we will be at peace with the truth

Soon enough we all will be at peace with the truth
