Visit "[Bless Your Name](#)" on MotoLyrics.com

With my hands I want to lift You
With my heart I want to thank You
With my soul I want bless Your Holy name

The Lord is gracious and full of compassion
Slow to anger and great in mercy

I will extol You my God and I will bless Your name
forever
Everyday I will bless You and I will praise
Your name forever and ever
Forever and ever I will praise You

Bless Your name Jesus
Exalt Your name Jesus
My soul wants to bless Your Holy name

My soul wants to give you all the praise
