I could be wrong
Didn't you say
I couldn't do this
Well, who's sorry now
It's always the same
You could have been there
Could have done that but
So, who's to blame?
I don't wanna live with a point that
You're so wrong
I don't wanna glow
But there's a time and place for everything
And my time is now
Ha ha ha ha
Ha ha ha ha
Ha ha ha ha
Ha ha ha ha
Something deep down inside me was trying to break
through
People like you don't understand these things
Everyone likes to feel like they're on top of things
But that don't mean sitting on someone else's sights
Ha ha ha ha, oh
Ha ha ha ha
Ha ha ha ha, oh oh
Ha ha ha ha
Ha ha ha ha, oh
Ha ha ha ha
Ha ha ha ha, oh oh
Ha ha ha ha
