Soon, come soon  
Sweet, so sweet  
Fall inside  
Between the sheets

This could be  
Heaven right  
Here on earth  
This could be heaven  
This could be  
Heaven right  
Here on earth  
This could be heaven

Peace, new peace  
Mine, near mine  
All the world  
Fall in time

This could be  
Heaven right  
Here on earth  
This could be heaven  
This could be  
Heaven right  
Here on earth  
This could be heaven

Sleep, to sleep  
Sigh on sigh  
All of this  
A lullaby

This could be  
Heaven right  
Here on earth  
This could be heaven  
This could be  
Heaven right  
Here on earth  
This could be heaven

This could be heaven

This could be heaven

This could be heaven

This could be  
Heaven
