We've all heard stories about that land over there  
Of milk and honey, Oh how sweet it must be  
Pearly gates and streets that are paved with gold  
I'm gonna get there

Are you getting ready to go to that city on High  
Are you really ready for what God has for your brand  
new life

Can't wait to see Jesus and just bow in His presence  
I'll give Him praise, Oh yes I will sing  
And dance just like David, oh what joy it will be  
I'm gonna get there

So much joy unspeakable, unbelievable  
God shall wipe your tears away  
Eyes have not seen ear have not heard  
What God has for you so get ready

It's over there, it's over there  
It's over there, it's over there  
Just for you
