They say that you're a run-around lover
You tell me it's not so
But if you put me down for another
I'll know - believe me I'll know
'Cause the night has a thousand eyes
And a thousand eyes can't help but see
So remember when you tell those little white lies
That the night has a thousand eyes
You say that you're at home when you phone me
And how much you really care
Though you keep telling me that you're lonely
I'll know if someone is there
'Cause the night has a thousand eyes
And a thousand eyes can't help but see
So remember when you tell those little white lies
That the night has a thousand eyes
One of these days you're gonna be crying
'Cause you're game I'm gonna play
And you'll find out without really trying
It's time that my kisses stray
'Cause the night has a thousand eyes
And a thousand eyes will see me too
I could never disguise all my little white lies
'Cause the night has a thousand eyes
