Strange as it seems  
Just the sound of your name  
Makes my heart skip a beat  
Again and again  
The sweetest fluttering in my chest  
'cause you're the one I love the best  
I can't believe what  
You're doing to me

I come alive  
Whenever you are near  
Trying to stay calm but  
I want you so dear  
Tell me sweetness and the truth  
Is it just physical for you  
Or is it possible  
That you could be  
In love with me  
In love with me  
In love with me  
In love with me  
In love with me  
In love with me  
In love with me  
In love with me

Is it possible you could be  
Ready to fall  
In love with me  
In love with me  
In love with me  
In love with me

Something so intense  
Just can't be ignored  
Am I expecting too much  
Just hoping you're  
In love with me  
In love with me  
In love with me  
In love with me

In love with me  
In love with me
