I ready for my Dosage
Ma Medication
Intoxication
Oh eh eh eh

It's getting stronger I can feel it taking over
What it does to me I cannot take it any longer
I feel like I'm losing ma mind

I need A I I need A
(Give Me A Bass line)

My body is racing the anticipation
I loose All my senses Lost my destination
What's Happennen to meh
Feel Kinda Funkeh
Oh it's just part of the Ride

It's getting stronger I can feel it taking over
What it does to me I cannot take it any longer
I feel like I'm losing ma mind

Ma Body Is Racing

I need A

I need A I I need A
(Give Me A Bass line)
