Staring at the door,
God knows I want you girl to stay,
But we both know I gots to walk away
We've been here so many times before
Can't take the arguments no more
So many nights just get a little night away so...

I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away
Sometimes some people get me wrong
when it's something I've said or done
sometimes you feel there is no fun
that's why you turn and run

Vivo tutto a modo mio
e quando sbaglio pago io
compromessi non faccio mai
io non potrei
la notte non ci dormirei
se mi conosco un po'
con quale coraggio poi
negli occhi ti guarderei

I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away

Ormai sono stanco vedi
non vorrei piu' difendermi da te
lo sai che la mia dignita'
e' la mia liberta'
sai che io non permetterei
lati oscuri tra di noi
dovresti capire che ti
sbagli su di me
io detesto le falsita'

le mezze verita'
con quale coraggio poi
negli occhi ti guarderei

I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away
