I got the honky tonk hiccups  
Ready steady go  
I got the honky tonk hiccups  
Ready steady go  
Honky tonk hiccups  
Ready steady go  
I found the cure on the hardwood floor

When I got home from work  
I was feeling pretty fine  
'Til I started getting hiccups 'round supertime  
Held my breath 'til I hit the floor  
But the hiccups kept coming  
Even more more more

I asked my baby to stand up on a chair  
And when I wasn't looking  
She would give me a scare  
I drank a glass of water  
And I blew into a bag  
But the hiccups kept a-comin  
A nag nag nag

I got the honky tonk hiccups  
Ready steady go  
I got the honky tonk hiccups  
Ready steady go  
Honky tonk hiccups  
Ready steady go  
I found the cure on the hardwood floor

Well I was feeling low  
But my baby made me go  
Down to the honky tonk and hillbilly show

An hour in the line-up  
And I finally made the door  
But the hiccups kept a-coming  
Even more more more

First I heard the music  
And then I felt a beat

And that's when I knew  
That the hiccups would retreat  
I headed for the dance floor  
I really did my best  
I did The Rump Jump  
I guess the whiskey did the rest

I got the honky tonk hiccups  
Ready steady go  
I got the honky tonk hiccups  
Ready steady go  
Honky tonk hiccups  
Ready steady go  
I found the cure on the hardwood floor

Honky tonk hiccups  
Ready steady go  
I got the honky tonk hiccups  
Ready steady go  
Honky tonk hiccups  
Ready steady go  
I found the cure on the hardwood floor  
I found the cure on the hardwood floor  
The only cure is the hardwood floor  
(Hic!)
