You're gone  
The trees are so quiet  
When your hand was in my pocket  
How they swayed from side to side  
Now the meddling sky  
And my snowy eye  
Sees a different night  
Sees a different night

The night I fell into the lion's jaws  
To my regret  
And your delight  
Those teeth themselves could not divine  
Nor their pressure estimate  
The haze I wish to never break  
And to never contemplate  
Momentum  
For the sake  
Of momentum  
Momentum  
For the sake  
Of momentum  
Of momentum
