When I talk to Loretta
Oh, boots, socks and sweater
Well, she hugs me sweet and low
And it's never let me go

When I talk to Loretta
She makes me feel like number one
When I talk to Loretta
She makes me feel like number one

Well, I heard her on the wire
Oh, sweet Loretta, child
She hugs me sweet and low
And it's never let me go

When I talk to Loretta
She makes me feel like number one
When I talk to Loretta
She makes me feel like number one

When I talk to Loretta
When I talk about the feeling
She hugs me sweet and low
And it's never let me go

When I talk to Loretta
She makes me feel like number one
When I talk to Loretta
She makes me feel like number one
Two, three, four, five, six, seven, eight

When I talk to Loretta
When I talk to Loretta
She make me, she make me, she make me
