I spend my life  
Becoming invisible  
It's hard to maintain  
And it's hard to get by  
I don't recall  
Fight or flight setting in  
I have no introduction  
I just breath it in like the air  
And theres nothing to remember  
There is nothing to remember

I owe you nothing  
That's all I've got for you  
And you'll borrow nothing  
That's what you expect of me  
So send me a lot Out of thin sailors knots  
And I fear underneath  
Your radiant thoughts  
My footsteps now  
They will echo loudly

All I owe, all I owe  
Strides I spend to the finish line  
All I owe, all I owe  
Strides I spend to the finish line  
I'll give you those

You told me something  
That scared me to death  
Don't take me home I can't face that yet  
I'm ashamed that I'm barely human  
And I'm ashamed that I don't have a heart you can break  
I'm just action  
And at other times reaction

All I owe, all I owe  
Strides I spend to the finish line  
All I owe, all I owe  
Strides I spend to the finish line  
I'll give you those Just don't make me go home

Give me something to remember  
Give me something to remember  
Give me something to remember
