"Timber"

My love was like a seed that you had planted
It grew as fine and strong as it could be
But as the years went on, you weren't enchanted
So you felled it like a great big tree

Now I'm callin' timber, oh
Timber, oh
Timber, timber, the falling tree

My heart was not a thing to take for granted
So loosen up your hold and let me be
And if I had my way you would be planted
Drowning in the shade of me

Now I'm callin' timber, oh
Timber, oh
Timber, timber, the falling tree
And now I'm sayin', timber
Timber, the falling tree

My love was like a seed that you had planted
It grew as fine and strong as it could be
But as the years went on, you weren't enchanted
So you felled it like a great big tree

Now I'm callin' timber, oh
Timber, oh
Timber, timber, the falling tree
And now I'm sayin', timber
Timber, the falling tree
Timber, timber, the falling tree
