(Verse)

I see the world today.
I notice things we've made
For what we've been these years,
Our actions changed our ears.
I see how we were killed.
Like the kings of this hill.
Economy just stays,
And we continue spending wills.

(Chorus)

Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.
Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.

(Verse 2)

I've noticed all the things we've made
And I've noticed what we've been saying,
For these past couple of years.
You're the leader or the captain of this ship,
And it's falling apart, and it's falling apart.

(Chorus 2)

Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.
Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.

(Breakdown)

(Chorus 3)

Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.
Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.

(Outro chorus)

Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.

Just feel it hurts (because) I've
Been singing this song and it
Just went wrong.

I'm giving up.

I'm giving up.
