

Lights Out "In Denial"

Visit "[In Denial](#)" on MotoLyrics.com

Your just a lie, built on lies and it's just a matter of time before they all find you out you better question your goals agian because I think your headed down the wrong path I'm just trying to help you out butyou refuse to listen to anyone get over yourself and open your eyes get a clue and recognize shit woont change for you how are things better with a negative attitude? your burnt out before you're even in and now it's a fucking joke? that's right this isn't a joke to me and I'm not wasting another minute on you, you said you knew so much, what a fucking lie how does it feel to be another number? GET OUT!
