My magic skeleton
My magic skeleton

You are my savior tonight
You let me float on the sand
I'm feeling so cro-magnon!
Enlight my past, enlight my dust.

Wake up call at 7.00, just wash your face.
Drive your car to the office, getting ready for
Hunting.

Wake up call at 7.00, just wash your face.
Drive your car to the office, getting ready for
Hunting.

And I am just an animal like you in this place
And I am just an animal like you like you.

My magic skeleton
The past floats in my mind
Sha-sha-shake the snow-globe!
I'm feeling so cro-magnon!
Enlight my past, enlight my dust

Wake up call at 10, drink up a cup of coffee.

Feed your dog and, get ready for hunting.

Wake up call at 10, drink up a cup of coffee.
Feed your dog and, get ready for hunting.

And I am just an animal like you in this place.
And I am just an animal like you in this place.

I'm the golem made of bones
Upright posture and a gun
Technologic genocide
And a nice trap to disguise
Human genoma
Sit com's coma

Hand-hability
Religion's drama
Rusty plow
Nuclear bombs
Taste plutocracy
Dog eat dog

My magic skeleton
The dust of ages
Adaptation!
Get ready for hunting.

And I am just an animal like you in this place.
And I am just an animal like you like you.
