Nobody knows them  
They're always around  
Trying so hard to be cool  
But what does it matter  
If you wear the right gear  
And turn out to be a fool

Backstage pass to hell  
Enjoy the show  
Purgatory vip for free

They'll do anything  
Whatever it takes  
Just as long  
As they don't have to pay  
I don't feel sorry  
For these poor souls  
What else can I say  
I'm sure when they die  
They'll cut a deal with the devil  
Just to get on his list  
They'll make him an offer  
That not even satan WILL ABLE TO resist.
