(yeah)Running through the night
The moon is shining bright (whoa)
yeah man trap I wanna get away
I wanna leave this hell
its evil I can tell ooooh what a bloody holiday
oooh what a bloody bloody saw my holiday
oooh what a bloody bloody saw my holiday

seven days vacation
worst then mama said
monsters all around this pad
even in my bed
trying to escape this quiet I saw
end this creature nightmare I want to go home
evil creatures everywhere
well this is more than I can bare
13 channels with a bear(oh no)
oh no its back again!

Running through the night
the moon is shining bright (whoa)
yeah man trap I wanna get away
I wanna leave this hell
its evil I can tell ooooh what a bloody holiday

Running through the night
the moon is shining bright (whoa)
yeah man trap I wanna get away
I wanna leave this hell
its evil I can tell ooooh what a bloody holiday
oooh what a bloody bloody saw my holiday
oooh what a bloody bloody saw my holiday

I lost the blood grip in from the knife in my hand
running from the real need man I just had
now I realized the I will ever be
visit our summer camp and then you will see
evil creatures everywhere
come and join us if you dare!
well 13 channels with a bear(oh no)
no,no,no its back again!

Running through the night
the moon is shining bright (whoa)
yeah man trap you wanna get away
you wanna leave this hell
but its red I can tell ooh what a bloody holiday

Running through the night
the moon is shining bright (whoa)
yeah man trap you wanna get away
you wanna leave this hell but its red i can tell
ooh what a bloody holiday
running, running
keep on running (yeah)
running yeah running
yeah yeah yeah
running through the night
the moon is shining bright!
fades:running through the night, yeah running!
