The stripper mummy's death dance
Out of the tomb comes sexy zombies
Causes shiver and earthquake's
Dead corpses awakes
The restless headless horseman
A guana smelling witch is
Is looking for his hat
Upstairs the frenzy she-devils
Eating coffinails with a bat
Tempt with wild mad sin you know
Demanded bondage are go

I recommend iternal torment
chorus:
Back in that old Haunted Cathouse
Back in that old Haunted Cathouse
If only i could turn back time
All pleasures were for free
Where everybody used to go
Well that's where i would be

Bloody Mary and King Kong
Is kissing while lost soul's cry
Hand in hand watching meteors
And stars on the midnight sky

A ghastly krew of wicked men
Arrives in the BatMoblie
Klingon's drunk flying
Their UFO.. uuuh what a thrill
