my heart's on fire got flames down my spine
i've been there done that i walked the line
i don't give a damn
about what people think or say
if you don't like what you see get outta my way

rattlesnake bitemarks creeping up
my backbone
rockabilly burnout
cracking up my headstone

i'm a hellcat fuck edermanme all the way
psycho to the bone fandme hey hey hey
i'm a hellcat fuck edermanme all the way
psycho to the bone fandme hey hey hey

i'm a child of the night free as a bat
come on little birdies
meet the devil's pussy cat...
i do what i want and say what i like
if you can't take the heat go take a hike

rattlesnake bitemarks creeping up
my backbone
rockabilly burnout
cracking up my headstone

i'm a hellcat fuck edermanme all the way
psycho to the bone fandme hey hey hey
i'm a hellcat fuck edermanme all the way
psycho to the bone fandme hey hey hey

writing circles in my desert sand
fever's burning in my head
a rattlesnake is sleeping at my hand
we're about to raise the dead...

rattlesnake bitemarks creeping up
my backbone
rockabilly burnout
cracking up my headstone

i'm a hellcat fuck ederman
me all the way
psycho to the bone
fandme hey hey hey
got punk rock blood running in my veins
the rockabilly disease eating up my brains
