We met on the tenth of March  
I thought I caught your panic in the railway arch  
She said we can just pretend  
Do it many times then I'll kiss your friends

Semaphores on the lawn, are you coming or not?  
Semaphores on the lawn, are you coming or not?  
And the moment's gonna pass me by in the blink of an  
eye

She passed in the din of June  
Listening to Dylan in an empty room  
Depression is a life turned bland  
Burning like a filament in both her hands

Semaphores on the lawn, are you coming or not?  
Semaphores on the lawn, are you coming or not?  
'Cause we are  
Semaphores on the lawn, are you coming or not?

For a long time I was drenched in words that I would  
say 'if only'  
You can get them at any moment's loss, but if you take  
it slowly  
So won't you come and take another sip of more wine  
'Cause we've been dancing on your doorstep for a long  
time

Yeah yeah yeah

I can do it, I can do it like an old friend  
I can make her every moment like a past tense

Yeah yeah yeah

Semaphores on the lawn, are you coming or not?  
Semaphores on the lawn, are you coming or not?  
'Cause we are,  
Semaphores on the lawn are you coming or not?  
'Cause we are,  
On my fourth on the lawn, are you coming or not?

Semaphores on the lawn, are you coming or not?
