David David Abrogate It,  
Turning Nurses into Wine,  
Your Barbour Jacket, missing dimple;  
Beautifully combine,  
"Criminality, Pure and Simple",  
Drips from every trenchant sigh,  
It's like your Tense and Empty boys  
Were Thatched by such design.

#### CHORUS

You've been getting away, away, away with it all these  
years,  
Putting backs in the corner, making the most of all our  
fears,  
You've been getting away, away, away with it night and  
day,  
Hushing backs in the corner, making the most of things  
to say.  
You've been away, away, away, away, away.

Every morning, each a teacher  
Meets a certain type of fate,  
The cut of cloth like slow elastic  
Bends until it breaks,  
This early set resentment  
Can and will not settle down,  
The words that drip from token lips  
Just amplify the sound.

#### CHORUS

Don't demonstrate with disregard,  
Don't live your life with dreams  
Of torment in your sullied heart.  
Don't give a kiss, don't settle down,  
If all you need, is to break a vow.

You've been getting away, away, away with it all these  
years. (X2)

#### CHORUS
