He tears apart a history  
Like he blindly pulls the sequins  
From her dress  
But you're a western boy  
And you'll impress  
His disregard for entity  
Is swollen by the subtle way she moves  
But you're a western boy  
And you'll improve

You should wash me away  
One day I'll wake up  
And I won't need you anymore

His redolent iniquity  
Reflects in every corner of the room  
But you're a western boy  
And you'll consume  
She looks for hesitation  
In the deep forgotten embers  
Of his soul  
But you're a western boy  
And you'll control

Oh you'll control it

You should wash me away  
One day I'll wake up  
And I won't need you anymore

Maybe it's the treason  
Maybe it's decay  
Maybe it's the reason  
Maybe it's the words you say  
Maybe it's the tension  
Makes me feel joy  
Maybe it's the movement  
Maybe I'm a western boy

You should wash me away  
One day I'll wake up

And I won't need you anymore
