Hope is looking skyword  
Labour now a byword  
George is barely holding on  
Exception feeling cabol  
Nicholas and Able  
Lords reforming broken jobs  
Pain in education implementing training  
Never permeates beyond  
These walls of such permanent lows

The only way is woe  
The only way is woe  
The only way is woe

Cultural inertia-ists will immerse you  
Edifying like the sun  
England lies asunder, apathy the fund  
that leads to many darkened hearts  
Terrifying racism is on the face  
The sarcasm is far beyond  
On shores of such permanent lows

The only way is woe  
The only way is woe  
The only way is woe

Second chances, offer no one  
Yea offer no, when you cope  
You feel young, you feel born  
You feel everything around you  
Is designed to make a symptom of hope

The only way is woe  
The only way is woe  
The only way is woe

Hope is looking skyword  
Labour now a byword  
George is barely holding on  
Exception feeling cabol  
Nicholas and Able

Lords reforming broken jobs  
Pain in education implementing training  
Never permeates beyond  
These walls of such permanent lows
