It's Lucas B, ohhh. You wanna party? (haha)
I'll show you my party trick, p-p-party trick!

I'm not gonna run away from you
Wanna see the way you move
Wanna see ya freak baby
Want you all over me
Now that I'm in the zone
I'll take you to the un-known
Hope that's alright with you
Show you the way I do...

I'll take you to the back room
The bass goin' boom boom
Covered in sweat and spirits
Hands up in the zone
So I'll take all the rules away
There's only one rule I say
Yeah that's my party trick
Let's rock out to this tune!

I'll show you my party trick, p-p-p-party trick (x2)
Now we're ready to rock out, we'll rock out
I'll show you my party trick
Let's p-p-party now, now, now (x4)

I just wanna see us dancin' alone
No interruptions turned off my tele-phone
No interference from the ring ring no (ring ring no)
So show me all you can bring bring, ohhh...

I'll take you to the backroom

The bass going boom boom
Covered in sweat and spirits
Hands up in the zone
So I'll take all the rules away
There's only one rule I say
Yeah that's my party trick

Let's rock out to this tune!

I'll show you my party trick, p-p-p-party trick (x2)
Now we're ready to rock out, we'll rock out
I'll show you my party trick
Let's p-p-party now, now, now (x4)

Mac make-up, Jimmy Choo's, Louis V and Prada too
Wanna see my party trick?
Oh you know this beat is sick
I'm actin' like a filthy whore
Sweatin' out on the dance floor
Psychotic, synthetic, a little bit dramatic..

P-p-party down (x3)
This is my party trick
P-p-party down, p-p-party down (x2)

I'll show you my party trick, p-p-p-party trick (x2)
Now we're ready to rock out, we'll rock out
I'll show you my party trick
Let's p-p-party now, now, now
Let's p-p-party now, now, now...
