Well, now, it takes more than a robin
To make the winter go
And it takes two lips of fire
To melt away the snow

Well, it takes two hearts a-cookin'
To make a fire grow
And baby you've got what it takes

Oh yeah

You know it takes a lot of kissin'
To make a romance sweet
Oh, it takes a lot of lovin'
To make my life complete
Mmm, and it takes a lot of woman
To knock me off my feet
And baby, you've got what it takes.

Alright

I said, mm, mm, mm. uh-huh, mm, mm, mm
You know you've got just what it takes
Because it takes more than an effort
To stay away from you
It'd take more than a lifetime
To prove that I'll be true
But it takes somebody special
To make me say, "I do."
Oh, yeah
And baby, you've got what it takes

Ah, ah, hah
Mm, mm, uh-huh, mm, mm, mm
Yes sir
You know you've got just what it takes

Well it takes more than an effort
To stay away from you
Oh babe
It'd take more than a lifetime, babe

To prove that I'll be true
But it takes somebody special, ah
To make me say, "I do.
Well
And baby
Baby
You got what it takes
Oh
Waouh !
Oh yeah

Because it takes more than an effort
To stay away from you
It'd take more than a lifetime
To prove that I'll be true
Oh well well
But it takes somebody special
To make me say, "I do."
Oh, baby
And baby, you've got what it takes
Oh baby, you've got what it takes
Oh baby, you've got what it takes
Keep it coming, keep it coming
Oh baby, you've got what it takes
Waouh !
