Another day begins  
And there you are  
The mother sways her shins  
Here comes the footstep of the man who'll make your  
dreams  
The tube is fitted in  
And there you are  
The tepid seditive  
Then a scream

Hold your placard up  
Cold and coffee cup  
After go to a bar  
Hand your flier out  
Must admire  
How dedicated you are  
I don't wanna know if you're having fun  
Or your maddens are on sale  
I don't wanna know if you've got a gun or a new  
stepson  
Or you think you're gonna bail

Chris hougan  
She had to run  
Last night been a lot of fun  
But now it's french  
A little tense  
She hadn't done the reading  
There she sat  
Hoped to pass  
Didn't think to face the fact  
That oh by gosh o lack o lass  
Columbia is bleeding  
Walkin down  
Off the bus  
Vickie lucas crossed campus was  
Thinkin how she's made it now  
That successful feeling  
Walked by fast  
Hailed a cab  
No clue that she'd passed a lab  
And while she's sittin in lit class

Columbia is bleeding

The surgeon is in town  
And there you are  
The clamp is comin' down  
Then a scream

Everybody knows protestors are those  
Schmoes who don't have a life  
See these scientists seeking differences  
Have to suffer such strife  
I don't wanna know if you're havin fun  
Or your maddens are on sale  
I don't wanna know if you got a gun or a new stepson  
Or you think you're gonna bail

Generalize, proselytize, verbs were spillin out their  
sides  
As charles eise buys his supplies gets ready for a  
feeding  
Tried for track  
Hit the mat  
Didn't think to face the fact  
That while he's thinkin 'man that's wack'  
Columbia is bleeding  
Quite a snob he didn't tip  
Nice guy rob watched the eclipse  
And looked around  
'I've made it now  
I'm just so glad to be here'  
Made a pass  
Got hand slapped  
Didn't think to face the fact  
That while he's mackin on that \*\*\*  
Columbia is bleeding

You don't have a religion  
But you have fingers ten  
They clutch at your incision  
You roll them up and  
Then a scream

They're just animals  
Make good edibles  
Fester filth and disease  
Check the bible son  
We got dominion  
We can do as we please  
I don't wanna know if you're havin fun  
Or your maddens are on sale  
I don't wanna know if you've got a gun or a new

stepson  
Or you think you're gonna bail  
Hell

Tee tee green  
Mezzanine  
Ended up beside the team  
And gave a cheer  
Got some beers  
With friends who started streakin  
Back with zach said 'I look fat'  
Didn't think to face the fact  
That while she's under self-attack  
Columbia is bleeding  
Rodney j began to pray  
His momma lost her life that day  
Had been a year  
It wasn't clear  
If he was safe or screamin  
As he jabbed the bible flap  
He didn't think to face the fact  
That barbarism killed the cat  
Columbia is bleeding

This is the ivy league
