I remember you  
You're the one who made my dreams come true  
A few kisses ago

I remember you  
You're the one, who said, "I love you too"  
Didn't you know?

I remember too  
A distant bell and stars that fell  
Like rain out of the blue

When my life is through  
And the angels ask me to recall the thrill of them all  
Then I will tell them, I remember you

I remember too  
A distant bell and stars that fell  
Like rain out of the blue, I miss you, darling

When my life is through  
And the angels ask me to recall the thrill of them all  
Then I will tell them, I remember you
