I wanna get married  
Yes, I need a spouse  
I want a nice leave it to beaverish  
Golden retriever  
And a little white house

I wanna get married  
I need to cook meals  
I wanna pack you cute little lunches  
For my Brady Bunches  
Then read Danielle Steele

I wanna escape  
This rat race I've created  
I'm feelin' enervated  
I don't care if I make it  
I just want to bake a sugar cake for you  
To take to work in the morn

And I'll stay home  
Cleaning the dishes  
And keeping your wishes all warm  
I wanna get married  
That's why I was born

I wanna partake in bake sales for the classroom  
I wanna hear the sweet tune  
Of Sally's little vroom-vroom  
As she zooms around my broom  
As I exhume the gloom  
Of my shallow life

I wanna be simple and honest and dimpled  
'Cause I am your wife  
I will never tarry, I'm not even torn  
I wanna get married  
That's why I was born
