I was thinking bout her, thinkin bout me
Thinkin bout us, what we gon' be
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Wish she'd back, no one knows
I realize yeah, it was only Just A Dream

I was at the top and now its like I'm in the basement
Number one spot and now she find her a replacement
I swear now I cant take it, knowing somebody's got my
baby
And now you ain't around baby I cant think
I shoulda put it down, shoulda got the ring
Cos I can still feel it in the air
See her pretty face run my fingers through her hair
My lover, my life, my shawty, my wife
She left me, I'm tied
Cos I knew that it just ain't right

I was thinking bout her, thinkin bout me
Thinkin bout us, what we gon' be
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Wish she'd back, no one knows
I realize yeah, it was only Just A Dream

When I be ridin' man I swear I see her face in every turn
Tryna get my Usher on but I cant let it Burn
And I just hopes she know that she the only one I earn
for
?
Didn't give her all my love, I guess now I got my
payback
Now I'm in the club thinking all about my baby

Hey, she was so easy to love
But wait, I guess that love wasn't enough
I'm going through it everytime that I'm alone
And now I'm missing, wishing she'd pick up the phone
But she made the decision that she wanted to move on
Cos I was wrong

I was thinking bout her, thinkin bout me
Thinkin bout us, what we gon' be
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Wish she'd back, no one knows
I realize yeah, it was only Just A Dream

If you ever loved somebody put your hands up
If you ever loved somebody put your hands up
And now there gone and you wishing you could give
them everything
Said if you ever loved somebody put your hands up
If you ever loved somebody put your hands up
Now there gone and you wishing you could give them
everything

I was thinking bout her, thinkin bout me
Thinkin bout us, what we gon' be
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Wish she'd back, no one knows
I realize yeah, it was only Just A Dream
