If I needed someone to love  
You're the one that I'd be thinking of  
If I needed someone

If I had some more time to spend  
Then I guess I'd be with you my friend  
If I needed someone

Had you come some other day  
Then it might not have been like this  
But you see now I'm too much in love

Carve your number on my wall  
And maybe you will get a call from me  
If I needed someone

If I needed someone to love  
You're the one that I'd be thinking of  
If I needed someone

If I had some more time to spend  
Then I guess it'd be with you  
My friend if I needed someone

Had you come some other day  
Then it might not be like this  
But you see now I'm far too much in love

Carve your number on my wall  
And maybe you will get a call from me  
If I needed someone, someone
