Fuzzy are the lights, fuzzy like your smile
Fuzzy really nice, Suzie like a star

Hello stranger, fellow stranger
Hello stranger, walking straight in the fog
Blue chandelier where you go tonight.

Dizzy is the chance,
Does he leave the dance?
Dizzy goes the fan
Does he like romance?
Hello stranger, fellow stranger
Hello stranger, stay out late as the dark
Pink chandelier where you love tonight.

Penny for your thoughts, Penny really cares
Penny from the block, Jane who likes your hair.

Hello stranger, fellow stranger
Hello stranger, hello stranger...
