When it says goodbye  
You don't hear it sigh  
Does that it mean  
That it's gone far far away  
Is this your day to  
Buy a paper  
Draw a mustache  
Make the mayor a giraffe  
Try and tempt fate  
Get pneumonia  
Recuperate with soy bologna

*[chorus]*

Can you hear the rain a ploppin' slowly  
With a soft and soapy thud  
Don't you worry about a moppin', sholy

You'll only find yourself with mud  
Mayfalta una maleta  
Mayfalta una maleta

When you go to bed  
Lay your fuzzy head  
By the nightstand  
Where you turned off your phone  
Nobody's home, now  
Ride the subway  
Make graffiti  
Go to Famous Ray's  
Buy ziti  
Get the paper  
No more artwork  
Make the mayor a dartboard

*[chorus]*
