I'm just a walkin' my dog  
Singin' my song, strollin' along  
It's just me and my dog, catchin' some sun  
We can't go wrong

My life was lonely and blue  
Yeah I was sad as a sailor  
I was an angry 'un too then there was you  
Appeared, when I was entangled

With youth, and fear, and nerves  
Jingle jangled vermouth and beer  
Were gettin' me mangled up

But then I looked in your eyes  
And I was no more a failure  
You looked so wacky and wise  
And I said, Lord I'm happy

'Cause I'm just a walkin' my dog  
Singin' my song, strollin' along  
It's just me and my dog, catchin' some sun  
We can't go wrong

'Cause I don't care 'bout your  
Hatin' and your doubt and I don't care  
What the politicians spout

If you need a companion  
Well just go right to the pound  
And find yourself a hound  
And make that doggie proud  
'Cause that's what it's all about

My life was tragic and sad  
I was the archetypal loser  
I was a pageant gone bad

Then there was you on time  
And wagging your tail  
In the cutest mime  
And you was in jail

I said woof, be mine  
And you gave a wail  
And then I was no longer alone  
And I was no more a boozier

We'll make the happiest home  
And I said Lord I'm happy  
'Cause I'm just a walkin' my dog

I'm just a walkin' my dog  
Singin' my song, strollin' along  
It's just me and my dog, catchin' some sun  
We can't go wrong

'Cause I don't care 'bout your  
Hatin' and your doubt and I don't care  
What the politicians spout

If you need a companion  
Why just go on by the pound  
And find yourself a hound  
And make that doggie proud

'Cause that's what it's all about  
That's what it's all about  
That's what it's all about

That's what it's all about, wow, wow  
That's what it's all about  
(Pant, pant, pant, pant, pant)  
Good dog
