I feel so melancholy  
since cutie went away  
I know it's folly  
that makes me feel this way  
oh I feel like Romeo  
once fell for Juliet  
I've got that random lovin' that you never will forget

oh I've got those wild romantic blues  
I want someone to take me  
right in his arms and make me

oh I've got those drive-me-frantic blues  
I wanna little courtin' darlin'  
oh sweetie oh cutie  
I want that wicked lovin'

oh I wanna shiver inside before your charms  
oh I wanna quiver and die right in your arms  
oh love me anywhere you can

because I got those frantic wild romantic blues

oh I've got those wild romantic blues  
I want someone to take me  
right in his arms and make me

oh oh oh  
oh I've got those drive-me-frantic blues  
I wanna little courtin' darlin'  
oh sweetie oh cutie  
I want that wicked lovin'

oh I wanna shiver inside before your charms  
oh I wanna quiver and die right in your arms  
oh love me anywhere you can

because I got those frantic wild romantic blues
