what got lost in us
we crossed that line in the dust
we swore it off,
cause we couldn't get enough

mabye there was something on your mind
that you couldn't say
mabye there was something that came between
that we couldn't see

Two years can they just slip away?
two years with nothing more to say..
Two years how can it slip away?
two years with nothing more to say

what's the point of it all?
you meet, you love then it's gone.
you share yourself, you're cut in two
now I need to find that half I left with you

mabye there was something on your mind
that you couldn't say
mabye there was something that came between
that we couldn't see

Two years can they just slip away?
two years with nothing more to say..
Two years how can it slip away?
two years with nothing more to say
heey...mabye there was something on your mind
that you couldn't say
mabye there was something that came between
that we couldn't see

Two years can it just slip away?
two years with nothing more to say..
Two years how can it slip away?
two years with nothing more to say

there is nothing more to say,
I couldn't say it anyway...

cause you're a thousand miles away
you wouldn't listen anyway
