I'll never reach you,
You've all turned to stone.
I've cast a shadow on these memories,
Pray no demons follow me home.

And what they told you
You'll be safe from harm
The tribulations won't deny you
Don't panic now; the day will come.

Will you breed deceitful bliss?
While you refine?
To embrace nothing more than this;
An ill-fated trust, a cruel design.

I'll never reach you,
Not anymore.
Beyond the blind seduce the suffering
Forsaken now; all I know.

We've damaged our
Salvation.
A peace of mind won't turn against you
Deliver now; all I've done.

Will you breed deceitful bliss?
While you refine?
To embrace nothing more than this;

An ill-fated trust, a cruel design.

Will you breed deceitful bliss?
While you refine?
To embrace nothing more than this;
An ill-fated trust, a cruel design.

I know, it's darkest before dawn,
So I'm glad to see
Just how gracefully
Your mind will misconstrue.
It's darkest before dawn,
As you succumb to all demise,

To see you through,
All the while I'll watch the world devour you.

Will you breed deceitful bliss?
While you refine?
To embrace nothing more than this;
An ill-fated trust, a cruel design.

Will you breed deceitful bliss?
While you refine?
To embrace nothing more than this;
An ill-fated trust, a cruel design.
