I believe what you say when you say
You're goin' steady with nobody else but me
I believe what you say when you say
You don't kiss nobody else but me

I believe
(I believe)
Do believe
(Do believe)
I believe
(I believe)
Yeah, I believe, pretty baby
Believe you're goin' steady with nobody else but me

Well, there's-a one thing, baby, that I wantcha to know
When you're rockin' with me don't rock too slow
A-move on in, get toe-to-toe
We're gonna rock till we can't rock no more

I believe
(I believe)
Do believe
(Do believe)
I believe
(I believe)
Yeah, I believe, pretty baby
Believe you're goin' steady with nobody else but me

Well, let's dig it now

Well, I believe what you say when you say
You don't miss nobody else but me
I believe what you say when you say
You don't kiss nobody else but me

I believe
(I believe)
Do believe
(Do believe)
I believe
(I believe)
Yeah, I believe, pretty baby

Believe you're goin' steady with nobody else but me

Well, when you kiss me, baby, then you roll your eyes
I get a funny feelin' that I'm hypnotized
Chills run all up and down my spine
I'm tellin' everybody that you're mine, all mine

I believe
(I believe)
Do believe
(Do believe)
Yeah believe
(Yeah believe)
Oh, believe, pretty baby
Believe you're goin' steady with nobody else but me

Oh, yeah!

Well, I believe
Do believe
Yeah believe
Well, believe, pretty baby
Believe you're goin' steady with nobody else but me
