Someday, maybe one day
I will understand what I did to send your love away
Someday, maybe one day
I'll see through your eyes what made you cry and run
away

'Cause I, I feel a changing of the seasons
Wonder why, should not givin' me a reason

Are we 1 or 2 far gone to say 3 words, "I love you"
Before you take that five o'clock plane, that's leaving
I'm so tired of tryin' to count 8, 9, 10 ways I'll be dyin'
If you should take that five o'clock plane, hey, hey

Someday, baby one day
As we reminisce we'll laugh at all this hearsay
Someday, maybe one day
You'll apologize when you've realized
I never lied to you anyway

Will I, just be a footnote on forever?
Testify before you bury all our treasure

Are we 1 or 2 far gone to say 3 words, "I love you"
Before you take that five o'clock plane, that's leaving
I'm so tired of tryin' to count 8, 9, 10 ways I'll be dyin'
If you should take that five o'clock plane, hey, hey
Before you take that five o'clock plane

All those nights we held each other
Body, mind and soul
I can't believe you'd ever let that go

Are we 1 or 2 far gone to say 3 words, "I love you"
Before you take that five o'clock plane, that's leaving
I'm so tired, tired of tryin' to count 8, 9, 10 ways I'll be
dyin'
If you should take that five o'clock plane, hey, hey

If you should take that five o'clock plane
Are we 1 or 2 far gone
If you should take that plane

Before you take that five o'clock plane, hey, hey
