(I can't Live Without Your) Love and Affection
Nelson

Here she comes, just like an angel
Seems like forever that she's been on my mind
But nothing has changed
She thinks I'm a waste of her time
There she goes, she don't know what she's missing
Can't she see I'll never give give up the fight
I'll do all I can till she understands my desire
I'm on the outside looking in
Let me into your heart - oh -
There's nothing on earth that
Should keep us apart
I can't live without your love and affection
I can't face another night on my own
I'd give up my pride to save me from being alone
'Cause I can't live without your love
So I wait, here for an answer
And wonder if tomorrow will be like yesterday
I'll keep holding on
But I can't go on living this way
I've been on the outside looking in
Bring these tears to an end - oh -
I realize there's no use for me to pretend
Oh yeah
I can't live without your love and affection
I can't face another night on my own
I'd give up my pride to save me from being alone
'Cause I can't live without your love
For your love... I'd put my arms around you
For your love... and find the strength to tell you

I can't live without your love and affection
I just can't go on this way anymore
As hard as I try there's one thing that I know for sure
I can't live without your love
I can't live without your love...
