Can you hear me? Are you there?
I need a friend to lend an ear
A million miles on my bones
I'm a child but I feel so old
Ohh I, I once had faith that guided me
But I, I paid a price for my beliefs

Now I need some peace on earth
Can you heal my heartache? Can you save my soul?
I'm looking for peace on earth
I swear once I've found you, I'll never let you go

Through the years, I've walked alone
Guess I've finally reached the end of my road
Faced the fears, I felt the rage
Up to now I've lived my life a crying clown inside a cage
Ohh I, I think I've lost my will to be
But I hear you calling out to me

Will you be my peace on earth?
Will you heal my heartache, will you save my soul?
I'm looking for peace on earth
I swear once I've found you, I'll never let you go

I'd give all I've got just to find
(Just to find)
Somebody to love me, to stay by my side
I'd know that come heaven or hell
Everything is gonna be alright

You are my peace on earth
You healed my heartache, saved my soul
You give me peace on earth
And now that I've found you I won't let you go

You are my peace on earth, peace on earth
You give me peace, I wanted you to know
That it's thanks to you that I'm finally coming home

Peace on earth, oh yeah
Peace on earth, you watch over me day and night
Peace on earth, you are the, you are the, you are the

Love and the light of my peacer on earth
Peace on earth
Peace on earth
