Like a bat out of hell
She came out of nowhere
A schoolboy's sticky sweet dream
And every woman's nightmare

She'll bring a grown man to his knees
And him cry for mercy
He could beg for her sweet wine
But she'd leave him thirsty

If you only knew what you're missing
You'd walk through fire for me
I try to tell you baby you won't listen
Well, that's okay by me cause

Sooner or later I'm making you mine
You're gonna love me in a matter of time
There's no use runnin' babe, you just can't hide
?Cause sooner or later you're mine

Decided I'd had enough of walking the wire
So I finally found the guts to admit my desire
When I confessed how much I craved her love and
affection
I was paralyzed by the shock of a cold rejection

I'd give all that I have to own you
But you don't care I'm alive
You won't surrender I can't control you
Well, here's the bottom line

Sooner or later I'm making you mine
You're gonna love me in a matter of time
There's no use runnin' babe, you just can't hide
?Cause sooner or later you're mine

I've been looking for a lover who can satisfy me
Come and slide under the covers, I've got you where I
want you
And you got me where you want me
Baby, tell me do you like what you see?

Sooner or later I'm making you mine
?Cause I'm too full of you to swallow my pride
You can't tell me you don't want to feel it inside
?Cause sooner or later you're mine
