You've been so disappointed
Never got what you wanted
Why love, don't you try my love?

I've watched him tear you up girl
I think you've had enough girl
Why love, don't you try my love?

Save yourself some heartache
Save yourself some time
You'll never find a better one than mine
Try my love
Try my love?

I'm standing on the sidelines
Knowing that you should be mine
Why love, don' you try my love?

You always come to me girl
Looking for sympathy girl
Why love, don't you try my love?

Save yourself some heartache
Save yourself some time
You'll never find a better one than mine
Try my love
Try my love
Tell me why love
Don't you try my love?

I'm the one you want
I'm the one you need
It's all here for you if you believe
Darlin' try my love..hmmmm...

I'm the one you want
I'm the one you need
If you want the lifetime guarantee

Try my love
Try my love?
Tell me why love

Don't you try my love
Try my love
Try my love
Tell me why love
Don't you try my love
