My demons are my company,
I'm feeling like a zombie (I'm feeling like a zombie)
The devil finally got me, hands around my throat
Trying to make me choke

I cannot get back what I desired
So I'll just lay here in this fire
It was heaven yesterday, how could I throw it away
Give me one good love cliché
Give me one more game to play

Sevin sins, sevin sins, are making my head spin
In this hell, I'm living in, oh, sevin sins
Sevin sins, sevin sins, which one will pull me in
Is there no way I can win, oh, sevin sins

Lust, this fairytale sucks, why didn't I give you trust
(trust, trust)
Run the circles of hell, I wonder why I fell, fell in love
with you
I don't understand why I can't find your eternity
No, never mind, it was heaven yesterday
How could you throw it away

Sevin sins, sevin sins, are making my head spin
In this hell, I'm living in, oh, sevin sins
Sevin sins, sevin sins, which one will pull me in
Is there no way I can win, oh, sevin sins

Spinning, spinning, round and round
How could love knock me down
Got me wrapped up in your spell
I'm trapped in my own hell

Sevin sins, sevin sins, are making my head spin
In this hell, I'm living in, oh, sevin sins
Sevin sins, sevin sins, which one will pull me in
Is there no way I can win, oh, sevin sins

Sevin sins, sevin sins, are making my head spin
In this hell, I'm living in, oh, sevin sins

Sevin sins, sevin sins, which one will pull me in
Is there no way I can win, oh, sevin sins
